Part 1: 15

「THINGS THAT ARE NECESSARY FOR REALISING DREAMS
—IMAGINATION, DETERMINATION, AND SOME MONEY。」

Good morning,
Lady Song.

How
are you
feeling?

Good,
morning.

IF MY
FAMILY
FINDS OUT
THEN I
WON'T BE
ABLE TO
PAY YOUR
RETAINING
FEE.

EVEN IF
IT SPELLS
THE END OF
THE WORLD I
SWEAR NEVER
TO SHARE THIS
SECRET WITH
ANYONE.

Said it

That surprised
increased his
readiness level
by a hundred-
fold.

That, you
know, Calli-
son saved
him off note.

Oh, girl-
a guy like
me and Calli-
son came
is just black
on the inside.

Toddy, will
it be the blue
striped or
the pink dot
one?

Well then,
Oya-sama

Let's discuss
your change
of clothes...

Where
might
you be
going on
such a
fine day,
Oya-sama?

The
weather
is rather
nice today,
isn't it?

Ahh, geez,
what a
Miserable
sight!!

You're
soaking
wet!!

Having
you walk
towards me
wet as a
drowned
rat is
annoying
me!

Will you
please
go back
and stay
at the
hotel??

My top
priority
is to
ensure
that my
customer
doesn't
get wet.

Please
pay me
no mind

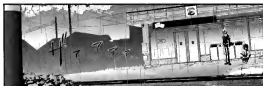

It's more of the smartphone video game series. Characters are
entirely new, but follow the same and look a little bit more modern.

Please
stop talking
like you're
my sister!!

Your
face is
too close,
you're
making me wet!

Whenever
Oto-no-dama
gets her
Pachinko
extremes,
Gris, well
follow.

Are you
Ojou-sama's
lover?

No, he
isn't.

Well, it's
just that.
I'm rather
concerned
about her.

... doesn't
say you're
forbidden to
talk about it?
You really are a
guy who doesn't
return to what
people say.

Kyaaa

!!

Kuh!!

Below
!?

Yeah

I think
I'm going
to be
thrown
off!

Are
both of
you all
right?

*Ojou-
sama!*

Cheh,
don't
mess
with
me!

Wow...
this thing's
flying
through the
subway?

With high-speed movement, a powerful
summoning spell got
him out of the
dangerous area
instantly!

Out of
range?!

Odd,
my tablet's
working!

Don't!
Lend me
your magic
phone!!

Oh, but
I haven't
registered
any magic
shortcuts

Ahhh!!

- Summon Prairie
- Summon Millefeuille
- Summon Macaron
- Summon

Your
phone's
a great
stop
warrior!

But, but!
I normally
don't use
it for
magic.

HEII

You tapped
the address
in my hand?

In an
instant?

**FLAT
SHOCK**

!!

Don't
talk to
me, I'm
trying
to concen-
trate!

Oh!-dear
I've removed
all of the
addresses
for the magic
he used.

Don't
worry.

With the
communication
speed for
Song's phone,
the high-
powered magic
I need to take
this hacker
down.

Would
take too
much time
to down-
load...

Shit!

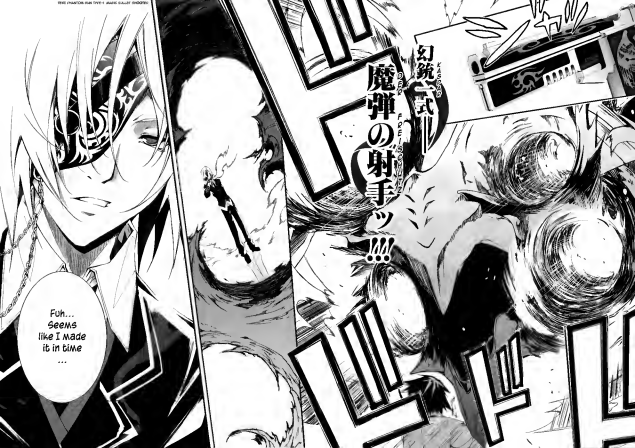

*If I use
that, you'll
disappear!!*

**Shut up,
Nokia!**

**HURRY,
ONII-
CHAN!!**

Fuh...
Seems
like I made
it in time
...

魔弾の射手ッ
!!!

幻銃一式

Created by
judges based
on your advice
I never had
conflict with the
very laws of
nature, I
create...

Not a
creature,
but a
wonderful
monster

Yes, you
heard
right

It's
because
you just
for too
much.

You only need
to destroy the
core to defeat
pretenses, yet you
unwisely go
about inflicting
wanton
destruction

Do you
understand
why you were
defeated by a
plantation of
this kind?

Goodbye

Thank
you for
the lecture,
I'll keep it
in mind for
later

Now-
ever

You're
driven by
power, and
all you do
is spread
fear so you
let yourself be
controlled by
none...

A wretched
little man
consumed
by greed.

漆刻刃

Drop
dead.

I won't
forgive you
for calling
Nokia a
monster.

HA VI

Please
don't associate
yourself
with Ojo-kun
any further.

—It
handles the
phenomenon
Ojo-kun
is causing
after.

Next
time we
meet
...

I'll
eliminate
you along
with that
monster.
